

Blobs to Blooms

Painting Viola Blooms in Watercolor

Supply List of the Products, Paints, Brushes and More Shared in Class

You do not have to own/use these exact supplies to create the card project in this class. You can use your favorites and achieve the same results. The techniques shared in this class can be recreated using the art supplies you have on hand, painting intuitively. If you have any questions, please feel free to reach out to me. I'm happy to help you along the way and answer any questions you may have.
