How to Find and Load Brushes in Photoshop

Kyle T. Webster's Brushes

Most of the brushes used in this class are from Kyle T. Webster's brushes, available for free download for Creative Cloud subscribers from Adobe.com.

Brushes in this class are found in the following libraries:

- Megapack (Animator Pencil, Perfect Pencil 1)
- Watercolour (Wamazing Wax Resist)
- Gouache (Gouache G Blair, Gouache Detail)
- Runny Inkers (Da Doo Run Run)

Specific brush libraries and installation instructions can be found at www.adobe.com/ca/products/photoshop/brushes.html
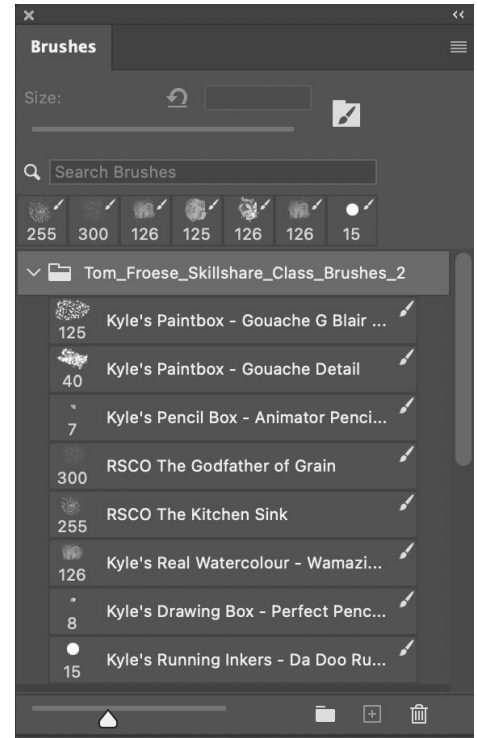

The Brushes Panel

Retro Supply Co. (RSCO) Brushes

RSCO creates retro-inspired brushes for all illustration platforms, including Photoshop, and also for Procreate, Affinity and Adobe Illustrator.

The two RSCO brushes used in this class include:

- The Godfather of Grain
- The Kitchen Sink

You can find these brushes, as well as installation instructions, in the Texture Boy Brush Presets package at the RSCO Freebies page: www.retrosupply.co/pages/free-retrosupply-products
