A Workshop for Skillshare

WORKSHEET *No. 5*

MOOD MEETS TOOL

Instructions

1. Pull together 10 different writing tools.
2. Pick a passage that will take about 2 min to write (quote, envelope addressing, song lyric, etc).
3. Write it in your preferred calligraphy style once, quickly.
4. Spending about a minute on each, write your selected passage (in the style you chose, roughly) but use a different tool each time to reflect the word's mood and feel.

Considerations

- Opening up to playful creativity
- Trying something new
- Texture and beauty of the page overall
- Speed -- experiment with results from slower to faster
- Subtle adjustments to your base style
- Your physical positioning at the table
- Grip and use of hand/arm muscles
