

Where You Are in The **Upwork** Process

- Write a brief description about you:

- Write down you biggest skills and the Upwork section that you currently (or plan to) market yourself on:

- Describe where you are in your Upwork career. Just starting out, had a few jobs, looking to progress to Top Rated etc.

- Write down 4 steps, that you have learnt from this course, that can move you closer to being **Top Rated**: (These should be the ones that you are currently closest to).
