

# Sample Testing Plan:

Date

Who tested

Which workflow or feature was tested

Priorities for testing

Considerations/Gotchas for this feature

- Can be a list of things that aren't built yet
- Note systems that you can't control like payment processors or integrations

Showstoppers

- Use this area to write down what really can't break. It'll help keep you focused.

Notes:

- Add new ideas for the feature here
- List anything you saw during testing but didn't have time to investigate
