

Make a Minecraft Mod: Minecraft Modding for beginners (1.16.3)

Assignment 4: Add the Loot Table for Copper Block

In this assignment you get to create your own event.

Estimated Time for completion: 60 Minutes

Instructions:

You can be as creative as you want to be when creating your own Event. Simply look through the given events that you can choose and try out a few things. I'm really excited to see what you can come up with!

(No Solutions provided, because you can be as free as you want)
