

# WORDPRESS THEME SUGGESTIONS

FREE wordpress templates can be found at <https://wordpress.org>

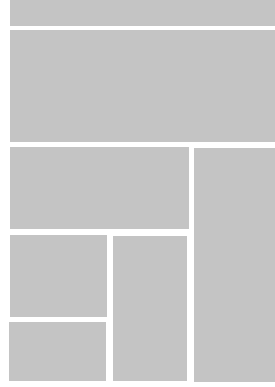

## The Classic

This versatile layout combines a bit of everything with a focus on a main project "hero" or showoff image to grab the viewers attention. 6 hand-picked projects are featured as thumbnails below.

**Great for:** Those just started out but already have several personal projects or some paid projects to feature.

WORDPRESS TEMPLATE SUGGESTIONS  
Avada | Responsive Multi-Purpose Theme  
Motive - Minimal Portfolio Theme

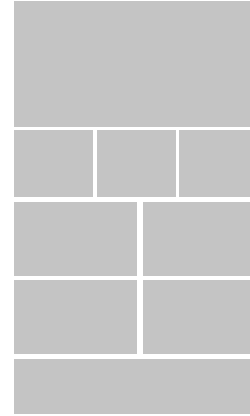

## Magazine Style

A more magazine style approach lays out your project thumbnails in a way that can crop your best project images in the best manor possible depending on the shape of the thumbnail.

**Great For:** Those wanting to show your projects off in an experience driven way that feels more like magazine story or article layout.

WORDPRESS TEMPLATE SUGGESTION  
SuperOne - Multi-Purpose WP Theme

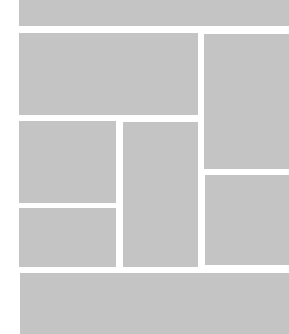

## Testimonial Driven

This layout puts a focus on your client testimonials to sell yourself instead of just project thumbnails.

**Great for:** Those who may have or can get great solid short client testimonials from personal (non-profit) work or paid work.

Candela Portfolio WordPress Theme

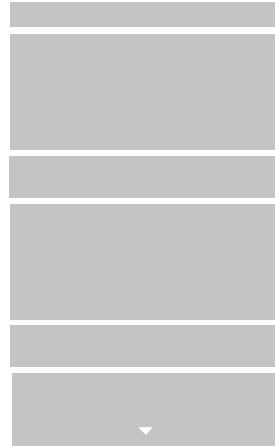

## The WOW Factor (Parallax Style)

The WOW factor  
This focus for this layout is on big bold photos.

**Great for:** Those who fantastic high-resolution project images that sell your style and skillset well.

WORDPRESS TEMPLATE SUGGESTION  
Paloma - Multipurpose Theme

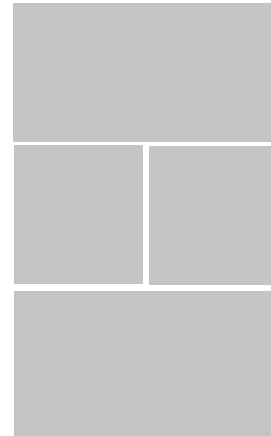

## Mixed Parallax

A parallax style layout puts all of the work in a long form scrollable format, no need to have separate project pages.

**Great for:** Those wanting a user to scroll continually down the page with intermixing client testimonials and connecting projects.

WORDPRESS TEMPLATE SUGGESTION  
Kaia - Agency WP Portfolio Theme

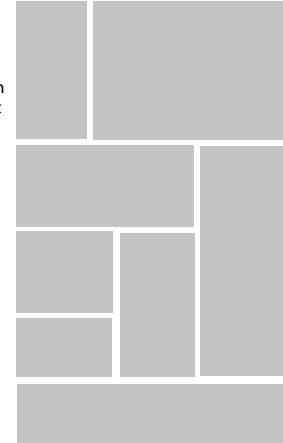

## Headline Focused

This puts the emphasis on your headline phrase that sells your services.

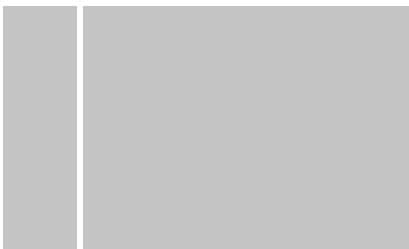

**Great for:** Those in industries where ideas and copywriting matter. UX/UI, branding, editing/writing etc.

WORDPRESS TEMPLATE SUGGESTION  
Portfolio WordPress Theme - Lino

## Left Menu Split

More of a mixed media display. Great for those wanting to show a wide variety of projects, testimonials, videos in a more magazine style layout.

## Left Menu Hero Image

A left or right menu-based layout that gets to feature a hero image that shows of a variety of projects in a video format, or slideshow format.

**Great for:** Those who have video or very image-based projects that need to be shown of near or full screen to be effective.

WORDPRESS TEMPLATE SUGGESTION  
NESSA By Niteo Themes  
Royce WordPress Theme

## Left Menu Hero Image With Headline

Same as the one to the left but with a headline driven statement overtop your video or rotating images.

## Single Project Focus

This layout focused on one major project with a client testimonial and video/image which takes up the full screen.

**Great for:** Those that have projects that are massive and have a lot of details.
