

Thanks for taking this short course about the Oud!

Congratulations for learning something new and hope you're inspired to expand your creative boundaries! As with any learning process, it's important to recall what we've learnt so that it stays with us.

Here are some simple questions based on what we've learnt together in this course:

- 1) **"Oud"** is the Arabic word for _____
- 2) How many strings does a Standard Oud have? _____
- 3) The Oud has **4 common variants**, they are:
 - A. _____
 - B. _____
 - C. _____
 - D. _____
- 4) List **ONE** standard Oud tuning: _____
- 5) Name **AT LEAST** one Oud player from each Oud variant (Hint: The links are in the project description)
 - A. _____
 - B. _____
 - C. _____
 - D. _____
- 6) Oud plectrums have designated names in ***Arabic and Turkish***, they are:
Arabic: _____
Turkish: _____
- 6) How can you see yourself with the expanding creatively Oud?
